

Global Filter Corp.

Dust Collector Bags

Global Filter offers most every type of fabric filter in the marketplace, including pulse jet, shaker, plenum pulse, and reverse air on the dry side.

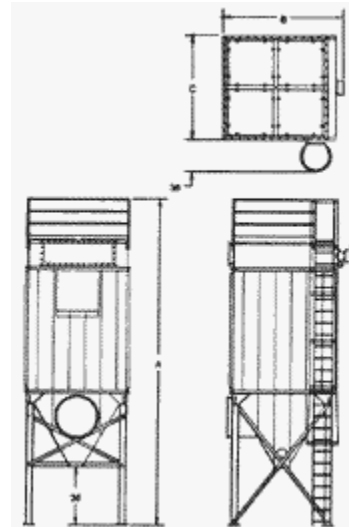

We stock a wide variety of fabrics with different finishes. Multi-ring fiberglass bags are also made in-house. Our staff is dedicated to serving our clients so they get what they need at a good price in a timely manner.

Our products are custom made to fit almost any manufactures housing on the market.

Rush orders can be expedited in some cases the same day you order. We can answer most questions concerning fabric type and finish for your special applications. Call the experts in fabric filtration.

Filter Bags are produced on heavy-duty Industrial Sewing Machines to ensure strength throughout the media. Polyester - polypropylene - Arimid - Zonex - Nomex - Ryton - P-84 - Fiberglass and Teflon are all available from Global Filter to fabricate!
